Well its finally here... cooler weather! We would like to send out a big thank you to the Teachers, Students, and Parent volunteers who made our fall festival such a great success. We did things a little different this year, and I think it was a hit. The entertainment was great, the games were fun and the pumpkins were very creative.

Our cookie dough fundraiser was also a big success. Thank you to all who placed an order!

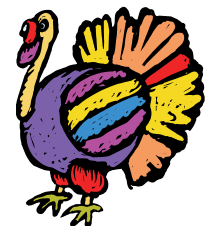

Wednesday, November 9th is report card/ conference night from 4:00pm-7:30pm. Thursday, November 10th we will have a Veteran's Day celebration in honor of all those who gave the ultimate sacrifice for our country.

Thank you to all who have become members of the PTA this year. If you have not joined yet, its not too late. We would love to have you.

We hope you have a wonderful and safe Thanksgiving holiday.

Sincerely,

Debbie Wilson

Safety First Please!!!

Please remember to drive the speed limit through Panther's Trace. Also please do not block the entrance to any of the subdivisions. Many of our students walk to and from school.

Their safety is our first priority!

Parents, please be respectful of our homeowners by not parking in front of the entrances/exits to the subdivisions, and by not parking on their grass. We have had many complaints of broken sprinkler heads, which are being replaced at the homeowner's expense. We understand the parking issue is an inconvenience to you all, however the schools hands are tied. This is a Panther's Trace Homeowner's Association issue. Please contact the Homeowners Association with any questions. Thank you!

October was an exciting month for our students at Collins. We worked on Saying No To Drugs! Our students created their own pledge, made class banners, wrote, and completed activities in their workbooks provided by the Mendez Foundation. On Wednesday, October 26, our students set the tone with the color red. We ended Friday, by Booooooing Drugs!!!!!! We are also hoping that many of our students' Say No To Drugs posters will be chosen for the Learning for Life Calendar put out each year by the Boy Scouts of America Even though Honesty/Trustworthy was the word of the month for October, please continue to talk about the importance of being Honest, along with always showing Respect and being Responsible.

The word for November is Thankful. We want our students to be able to express their gratitude. This is such an important trait. This is a great time to encourage the writing of thank you letters, giving compliments, showing appreciation, and using manners. It ties in with our Thanksgiving holiday and the importance of being a family member. Please encourage your child this month to practice being thankful.

At Collins, we are also thankful for the awesome career speakers that will be talking to our children during the week of November 14th through the 18th. While your child(ren) are at Collins Elementary, they will be introduced to a wide variety of careers. Please ask your child to share which careers they were introduced to and what they learned from each presenter. We want to help establish the foundation for planning career paths. Please talk to your child about the career(s) that you have in your family tree. Share the highlights, along with positive and negative aspects of your career. Let them know what you needed to do to prepare for your career.

I will soon be choosing new mediators from 4th grade to begin the process of becoming effective mediators. Our fifth grade mediators have been helping to solve conflicts in a positive way. Peer mediation is a great way to solve conflicts. If your child goes to mediation, they will be learning lifelong skills on how to peacefully solve conflicts. Mediation is a positive solution that usually ends in a win-win. Mediation is a positive way to deal with conflicts and can help anyone of any age!

We are so glad that you are a part of Collins Elementary.

Greetings From Collins Café:

Greetings from Collins Café,

During the month of October, we have been celebrating National School Lunch. The theme this year is “Let’s Grow Healthy”. We have been featuring many more fresh vegetables and fruits on our menus.

Some of our items are broccoli dippers, baby carrots, roasted vegetables and sweet potato bake to name a few, more salads are on the menu as well and have become very popular.

When an item is new on our menu, I have been going around the cafeteria with a sample tray. This has been working out great. It gives the students a chance to try something new and many of them will pick up the item as part of their lunch.

I really enjoy interacting with the students and getting their feedback.

The grace period for children who received free lunch last school year expired on October 4th. A new application can be filled out at any time. These applications can be filled out on line, sent directly to central processing or returned to me.

Please feel free to contact me at any time with any questions or concerns at 672-5400 ext. 227. Student Nutrition Services would like to wish you and your families a very Happy Thanksgiving.

Till next time.
