- Recruitment for 2018-2019 PTA Board
  - Ask someone on the PTA board if you interested in being on our team
- Questions
  - Update from Mrs. Sargable:
    - The road (Summerfield Blvd) from Collins to Lucaya will remain closes until all signs are installed (no left turn, speed limit, etc). There will be no left turns allowed from Lucaya into Collins. Cars will need to drive out to Panther Trace Blvd, turn left onto Adventure Dr, and another left back onto Panther Trace Blvd to enter the school. The school district paid to have the sidewalk installed from Summerfield Blvd (towards Lucaya) to the front of the school because they will not have crossing guards at the intersection.
    - Lucaya will no longer have a bus for Collins starting next school year.
    - Parking in the grass on the side of the school will not be allowed. If you are dropping your child off in the morning, please use the carline or park in the parking lot at the multi-purpose field on Panther Trace Blvd and walk to the school. There is a section where the sidewalk is lowered in case there is an emergency and EMS is needed to enter the gate or for when we have bounce houses during our fall festival.
    - Sidewalk for the front playground was put in for ADA compliance and slabs were put under the water fountains in the back by the basketball courts.
- Adjournment
  - 7:23pm
